

# Kick ass with a keyboard.

**jhu acm**  
**2006 Local Programming Contest**  
**Saturday 2 PM | NEB 227**

**Information Session**  
**Thursday 5 PM | Shaffer 303**

**[contest.acm.jhu.edu](http://contest.acm.jhu.edu)**

**Think you have what it takes  
to tackle some tricky  
programming puzzles?**

Go head-on with your friends,  
classmates, and colleagues this  
Saturday, and find out!

Chug free soda as you pound  
out code in this two-hour test of  
wits (and maybe some skill).

Free food for all, and prizes  
include a video iPod!
