

Hackers wanted

jhu acm

2006 Local Programming Contest

Saturday 2 PM | NEB 227

Information Session

Thursday 5 PM | Shaffer 303

contest.acm.jhu.edu

**Think you have what it takes
to tackle some tricky
programming puzzles?**

Go head-on with your friends,
classmates, and colleagues this
Saturday, and find out!

Chug free soda as you pound
out code in this two-hour test of
wits (and maybe some skill).

Free food for all, and prizes
include a video iPod!

Bloomberg

iPod is probably even virus-free. ;-)
